

Moppy is using the WAG in the sky.
How many birds if you draw 3 more?

Draw the rest of Moppy.

Which Metta's are in the blue triangle and pink circle?

DO YOU LIKE THE METTAS?

We hope you like this free book.
To say thank you and to help get
The Mettas on TV and the books
published please sign our
online petition.

A simple black outline of a downward-pointing arrow is positioned between the text inside the box and the URL below it.
